weakness of the Gear Up Program; meet all funder requirements for the period of performance; serve as a member of the Grant evaluation team for at least 2 years with the possibility of a third year; obtain recommendations for program improvement; develop program reports semi-annually; provide training and technical support for the data platform; provide an internet-based platform to house and perform all program activity data, match expenditure information, generate on-demand reporting; and, interview program staff and stakeholders, students, parents/guardians.

B. Insurance Brokerage Services: 12(s)9208.34nq0.00000912 0 612 92 reWB/F1 12 Tf1 0 0 1 240.29 593.02

The College relies on an insurance brokerage and consulting firm to provide new and renewed insurance policies. Marshall & Sterling Upstate, which is the firm chosen by the College's selection committee, has extensive experience in providing insurance brokerage services to institutions of higher education. The Selection Committee is confident that Marshall & Sterling Upstate will be able to effectively meet the services needed to identify and select insurance coverage and is well positioned to provide Nassau Community College with competitive overall insurance coverage quotations. At this time, this contract should be extended one additional year due to the COVID-19 pandemic restrictions which would impact the transition of services to a new firm. As the College is working mostly remnm01(y)20()-19(r)-6(e)4(mnm)7we)6(II)-3()10(p /F1 12 T
