

NASSAU COMMUNITY COLLEGE

5. Mission and Vision Statements

The Institutional Planning Committee, after spending the past academic year in research, discussion and deliberation, presented a proposed revision of the College Vision Statement and Mission Statement to the Board of Trustees on Tuesday, June 8, 2021.

WHEREAS the Institutional Planning Committee, reporting to the College President, was created in 2016 to ensure an inclusive strategic planning process; and

WHEREAS the Institutional Planning Committee was formed to meet the requirements of the College's accrediting body; and

WHEREAS the Institutional Planning Committee was created to demonstrate how various plans are linked to the Strategic Plan and uses resources effectively to fulfill the College's Mission and Goals; and

WHEREAS the Institutional Planning Committee is co-chaired by the Academic Affairs Vice President and a full-time senior faculty member, includes representatives from various groups that comprise the NCC community, including and not limited to Academic Senate, Academic Chairs, NCCFT, and Student Government Association.; and

WHEREAS the Institutional Planning Committee also includes members of administration including and not limited to President's
