Nassau Community College has established a tradition of granting the permanent academic title of "Professor Emeritus" as recognition of distinguished and meritorious service to the College. It is awarded to retired members of the College who have been recommended by the Chief Administrative Officer. The rank of Professor Emeritus entitles that person to attend and speak at departmental and faculty meetings at the College, to be listed in the College catalog, to be retained on the College mailing list, to have use of the College's Library facilities and to be invited to all College ceremonies.

RESOLVED, that the Personnel, Affirmative Action & Labor Committee hereby recommends the approval by the full Board of Trustees that in recognition of distinguished and meritorious service to Nassau Community College, and upon the recommendation of the president of Nassau Community College, the following named retired faculty members of Nassau Community College who retired after attaining the academic rank of professor or associate professor, be granted the permanent academic title of professor emeritus with all the privileges and rights accruing thereto.
