

# Nassau Community College

Admission to NCC requires a state-endorsed high school diploma or HSE/TASC (formerly GED certificate). Diplomas such as I.E.P. and annotated diplomas, school leaving certificates, and certificates of attendance are not valid for admission to the College. Additional program requirements are listed below. ALL supporting materials must be RECEIVED by the Office of Admissions by the deadlines specified. It is the responsibility of the student to ensure that all documentation has been received.

**ALERT:** Students on F-1 visas are NOT eligible for enrollment in certificate programs, or in the nursing program.

The federal government requires colleges and universities to provide information on rates of employment and loan repayment for specific types of programs. To see this information, visit [www.ncc.edu](http://www.ncc.edu) and click on the link for Programs of Study to learn more about the certificate program you wish to pursue.
