The Student and Exchange Visitor Program (SEVP), within the Department of Homeland Security, requested that schools ensure the accuracy of certain information in SEVIS for all students on Curricular Practical Training. Therefore, please read the following and sign it.

I understand that it is my responsibility to comply with all immigration regulations which apply to F1 students, including employment regulations. Working without the proper authorization is a serious violation of my F1 status. If I fail to comply with my responsibilities, I may not be eligible for benefits normally granted to F1 students and may jeopardize my stay in the U.S. I know that I cannot start working until I receive CPT I-20 from the ISA.

I understand that while I am on CPT, I must maintain my status by studying full-time every semester. If there are any changes such as my home address and employment, I must contact the ISA immediately so that my I-20 will be properly updated in SEVIS.
