Find Equivalent Courses within SUNY

- Transfer Finder is for undergraduate students to use with the primary intention of ensuring that all General Education courses will transfer seamlessly to other SUNY schools.
- A total of 30 credits, comprised of 7 out of 10 General Education categories, must be completed at all SUNY schools in order to earn a degree. When a General Education course meets one of these categories, you will see **"GETA Class Used"** on the degree audit which indicates a course has been applied to that specific category.
